I contacted Chau Nguyen in 370, who referred me to Brian Nguyen, who informed me that this case should remain in 709.	2/11/2005	PSS
Mark Rinehart said that the case belongs in 709/232 rather than 710/100 because the nodes have processors (not peripherals).	n/a	PSS
Brad Edelman suggested the following subclasses: 710/124,119; 709/230,232,248; and 370/447.	n/a	PSS
